

NATURE'S SOURCES INTRODUCES:

# ABSORBAID®

**NEW!**

## PROBIOTIC

A great complement to those other great products offered by Nature's Sources:

### ABSORBAID®

- First Place Winner of the Vity Award in 2002 in the digestive support category.
- Recognized as the leader in the industry for digestive aid supplements.
- A product of Nature's Sources, established in 1995.

### KOLOREX®

- The key to the Kolorex® range is active Horopito.
- Helps maintain normal Candida levels.
- Available in softgels and creams.
- Shown in two of New Zealand's research organizations, to be twice as effective as oregano oil and olive leaf extract for combating Candida.

*Nature's Sources proudly presents their brand new addition to the AbsorbAid® line, AbsorbAid® Probiotic. At 30 billion cfu's per capsule, this makes it one of the most potent and cost effective probiotics on the market today. Studies have shown that probiotics may be helpful with:*

- Gut function and stability
- Immune system modulation
- Improved digestion and nutrient absorption
- Allergies
